Paradise Beach aka Howard E. Futch Memorial Park

9am till 2pm

This event is a gathering of the surf community to share, swap, show off or just talk shop about alternative surfboard shapes. Bring your unique fish, bonzer, egg or log out for a session. A hot dog BBQ will be around noon. BYOB, no glass.

We will be in the medium pavilion on the south end of the park. A very limited number of t-shirts are available on a first come first serve basis. Hope to see you there Halloween morning!
